

3.-Which one of the following will create an InputStreamReader correctly?

1. `new InputStreamReader(new FileInputStream("data"));`
2. `new InputStreamReader(new FileReader("data"));`
3. `new InputStreamReader(new BufferedReader("data"));`
4. `new InputStreamReader("data");`
5. `new InputStreamReader(System.in);`

Answer: 5, `new InputStreamReader(System.in);`
